INTERVIEW

STAR Interview Practice

Answer three common interview questions and check each answer against the STAR method.

Name _____ **Date** _____

Answer each question in writing first. Then check your answer against the STAR list. STAR stands for Situation, Task, Action and Result. Aim for 60 to 100 words per part or about two minutes out loud.

STAR in one look. Situation: set the scene in one or two sentences. Task: say what you were responsible for. Action: say what YOU did, step by step. Use I, not we. Result: say what happened. Use a number if you can. Say what you learned.
